BEFORE YOU GO

Important Notes

- Prices shown are starting rates per couple, including return flights from Beirut (one stop) and a car with driver for the whole trip. Final prices depend on your travel dates and hotel availability.
- Holders of Lebanese passports need an Albania e-visa, applied for online before travel. Guests with a valid, already-used multiple-entry Schengen, US or UK visa can enter without one. The visa is not included; our team will help you apply.
- The best months are June and September. July and August are busier and cost more. Boat trips and many coastal hotels run from about May to October.
- The roads to the coast are scenic but winding, so we schedule the drive home with an afternoon or evening flight.
- The local currency is the Albanian lek (ALL); euros are widely accepted. Many boat operators take cash only.
