Important Notes

- Prices shown are starting rates per couple, including return flights from Beirut and travel between the islands. Final prices depend on your travel dates and hotel availability.
- Holders of Lebanese passports need a Schengen visa. The visa is not included; our team will help you apply. Please apply early and make sure your passport is valid for the trip.
- The best months are May, June and September. July and August cost more. Many island hotels close from November to March.
- Summer winds (the meltemi) can delay ferries. We plan a buffer before your flight home.
- Santorini's caldera villages have many steps. Ask us about rooms with easy access if needed.
- The local currency is the euro (EUR). Cards are widely accepted.
